

## Swachhata Hi Seva-2019

On 2<sup>nd</sup> October 2019 a cleanliness campaign was launched to create awareness among university residents and students to shun single use of plastics under **Swachhata Hi Seva-2019** Programme by the college of Agricultural Engineering in the university campus and residential areas. At the beginning Hon'ble Vice-Chancellor motivated the students and staff about cleanliness and its harmful effects and he joined himself in the campaign after offering floral tribute on the portrait of father of the Nation- Mahatma Gandhi.

Deans and Directors of the different colleges/divisions/units, CAE students and staff participated in the Campaign. Students and staff were divided into two groups and collected plastic litters from the roadside, lawns and residential colonies and finally disposed the litters to proper dumping site. Er. Manoranjan Kumar, NSS I/C coordinated the event.
