

SCHOOL OF AGRIBUSINESS & RURAL MANAGEMENT **DR. RAJENDRA PRASAD CENTRAL AGRICULTURAL UNIVERSITY**

Pusa, Samastipur - 848-125, Bihar, India

"AN INSTITUTION OF NATIONAL IMPORTANCE"

MBA **(Rural Management)**

ADMISSION

BROCHURE 2025-27

Dr. Rajendra Prasad Central Agricultural University, Pusa, Bihar

A historical institution of agricultural research, education, extension and entrepreneurship promotion, Pusa, Bihar is the birthplace of agricultural education and research. Although this journey started long back in the 18th century, the formal structured education in the form of an Agricultural Research Institute and College took shape in 1905. Continuing with this journey, the State Agricultural University in the name of Rajendra Agricultural University was set up in 1970 by the Govt. of Bihar. Acknowledging the contribution in agricultural education, research and extension, the Govt. of India upgraded this institution into a Central University in 2016 and renamed it as Dr. Rajendra Prasad Central Agricultural University. The University is recognized as an Institution of National Importance and is currently involved in agricultural education, research and extension in the country.

The academic set up of the university comprises of eight colleges, eight multi-disciplinary research centers/institutes, three regional research centers, in addition to six Sugarcane Testing centers attached with six sugar mills, 16 KVKs and Agricultural Technology Information Centre (ATIC). We are a fully residential campus, spread over an area of 1096 acres supporting rich biodiversity. Currently, more than 2000 students from 27 states of India are pursuing their education in various disciplines of Certification Courses, Diploma, Bachelor's, Master's and Doctoral program.

School of Agribusiness and Rural Management

One of its kinds among agricultural education institutions in India

[Accredited By NAEAB (ICAR), New Delhi]

The management education at Dr. Rajendra Prasad Central Agricultural University, Pusa (formerly Rajendra Agricultural University) started 17 years ago in 2006 with the launching of MBA (Agribusiness) degree programme by the Hon'ble Chief Minister of Bihar Sri Nitish Kumar Ji on 22nd July, 2006 under the Faculty of Basic Science and Humanities (FBS&H). Considering the importance of this programme and role of agricultural and rural management, a dedicated set up in the form of School of Agribusiness and Rural Management (SAB&RM) was established in 2018 with the launch of one more MBA programme in Rural Management. In 2016 it became Central University (an Institute of National Importance). School of Agribusiness and Rural Management (SAB&RM) was established under the Dr. Rajendra Prasad Central Agricultural University (RPCAU) from 2018. In 2020, a new technologically equipped building of SAB&RM was inaugurated by our Hon'ble Prime Minister Shri Narendra Modi ji. The college is accredited by Indian Council of Agricultural Research (ICAR).

This is among very few institutions in the country and unique among agricultural universities in India with both MBA (Agribusiness) and MBA (Rural Management) programme. This college is rated as a premier institution and imparts professional management education in the field of Agribusiness and Rural Management to generate entrepreneurs and to develop competent, socially responsible and qualified human capital for managing agribusiness and rural enterprises. The college has a history of placing its students in prominent business and development organizations.

Over the years, the school has achieved and excellence in student placement. Our students are placed with organisations of great repute, Nationally. Few of them have also got an opportunity to work for International organisations.

In 2023, all students of MBA (Rural Management) and MBA (Agribusiness Management) have been placed in reputed organizations well before the completion of the academic programme. In addition to running these two degree programmes, the college has also started Two Post Graduate Diploma Programmes (PGD) of One year in Agri Tourism Management (ATM) and Agri Journalism and Mass Communication (AJMC) in 2021.

SAB&RM is located within the premises of the University at Pusa, having its own building with state-of-the-art infrastructure, has well equipped teaching and research infrastructure such as smart classrooms, conference/seminar hall, auditorium with a 200 seating capacity, a dedicated library and computer lab along with other central facilities available in the University premises such as Central library, e-resources, playground, central auditorium, training hall, guesthouses, well-furnished hostels for students, University transportation facilities for students, cafeteria, gymnasium, dispensary, river front boating, parks and gardens, botanical garden, butterfly park, shopping complex etc.

“We encourage students to choose this institution for building a great career ahead. We assure to mentor you to take up future CEOs and leadership role.”

कृषि व्यवसाय एवं ग्रामीण प्रबंधन संस्थान SCHOOL OF AGRIBUSINESS & RURAL MANAGEMENT

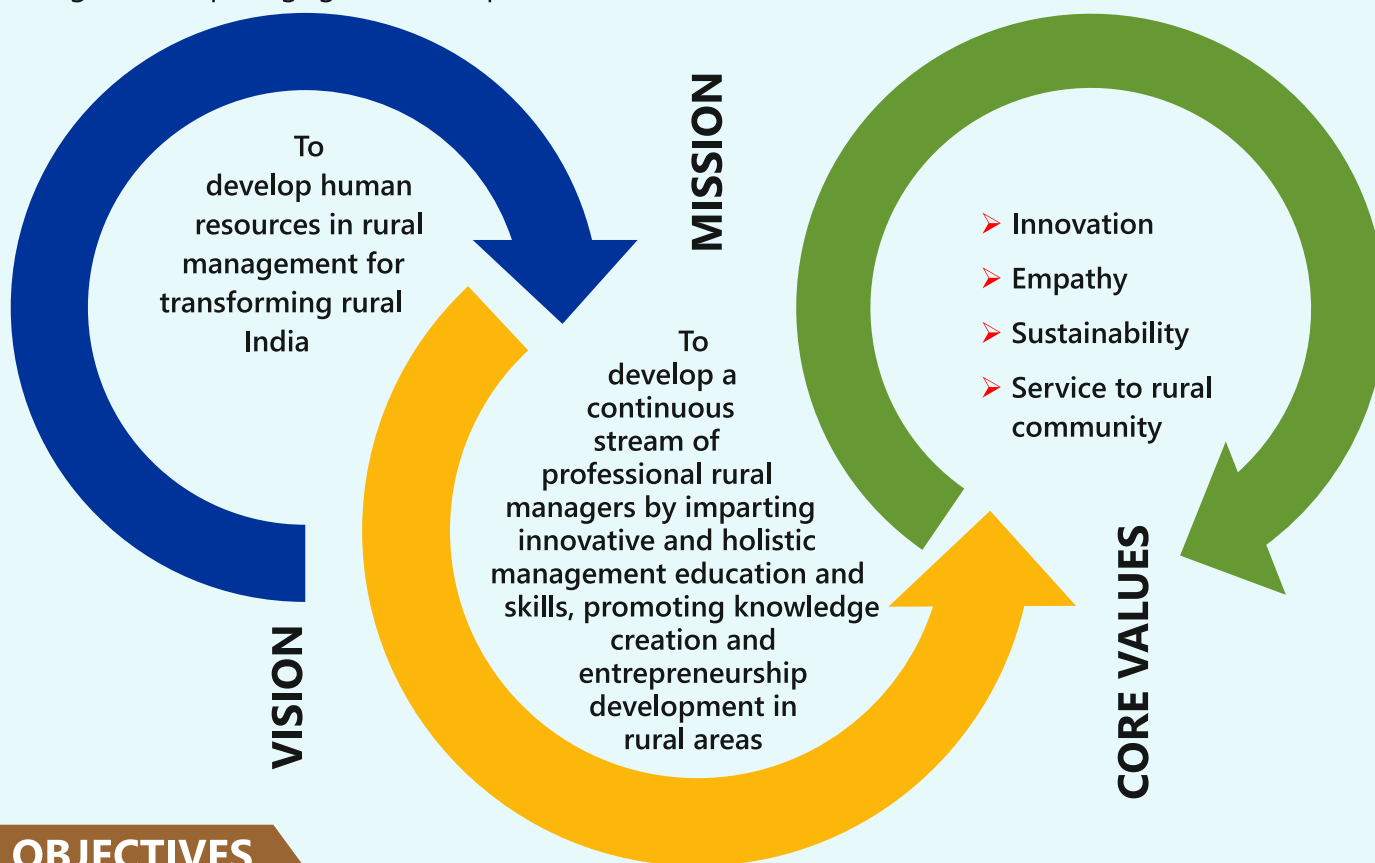

MBA (Rural Management)

~Fostering Rural Prosperity

MBA (Rural Management) was designed to understand the rural economy and to create managers who have the knowledge of business management and the ability to work in the rural sector. The Programme provides an extensive understanding of the rural context, communities, markets and opportunities, knowledge and skills to understand analyse and address complex problems in rural markets, develop and implement livelihood programme and social change strategies and also design to incubate and nurture social enterprises. Students learn to analyse managerial and developmental problems and develop insight, practical and innovative solutions to suit the requirement of rural mass.

MBA (Rural Management) was started in 2018 with an intake capacity of 30. It is a two-year residential postgraduate programme spanned over four different semesters including village fieldwork, development internship, and management traineeship. The first semester is a classroom component followed by three blended semesters (both classroom and experiential component) focusing on concepts, skills, and knowledge pertaining to rural development and management, using modern pedagogical techniques.

OBJECTIVES

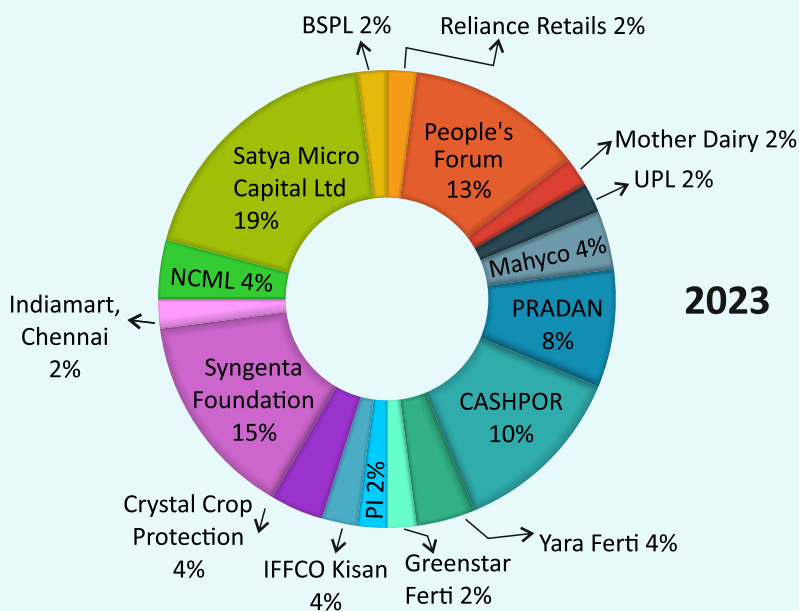

- Creating professionally trained rural managers with an appropriate ethos and values
- Developing attitudes and skill sets in students to work on problems of rural areas in an effective manner
- Encourage students towards rural entrepreneurship
- Capacity building in public policy for rural transformation

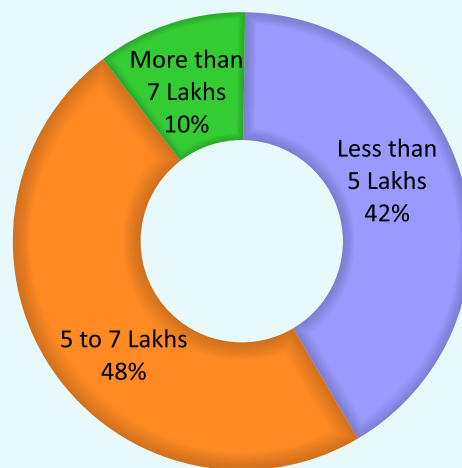

SIGNIFICANT ACHIEVEMENTS

- School of Agribusiness and Rural Management (SAB&RM), RPCAU, Pusa has achieved a historical feat by securing 100% placements for the students of MBA-Agribusiness and MBA-Rural Management Programmes (Batch 2021-23)
- Our alumni are well placed with various development initiatives of government and non-governmental organisations across the country contributing to the development agenda of the nation
- One of the alumni of SAB&RM, Mr. Maninder Singh from MBA-Agribusiness (Batch 2017-19) who has recently joined BASF Canada Inc. with a package of approx. 37.26 LPA

Placement of students in different companies

Packages offered

Our Recruiters Last Year for MBA (Rural Management)

❖ Syngenta ❖ Pradan ❖ Annapurna Micro Finance ❖ Cashpor Micro credit ❖ Satya Micro Capital Ltd

Experiential Learning Segment

Experiential learning component is aimed at providing the students an opportunity to understand, learn and implement theory and practices of rural management in the real rural setting/ environment. Students are expected to work on chosen projects guided by a faculty member in association with rural business organisations and development-oriented institutions. Three experiential learning modules in the form of Internship / Project Work are included as a part of the 2 year MBA (Rural Management) programme.

Field Internship: This involves association with the Krishi Vigyan Kendras of our University during the First Semester of the MBA Programme. There are two components under this internship namely Village Experience Segment and Rural Action Component. In Village Experience Component the students understand the overall dynamics of a village society through various tools such as Participatory Rural Appraisal and develop a village level perspective plan. In Rural Action Component, the students undertake a project related to rural areas in consultation with the organization and the University.

Summer Internship: This is a 6-week programme undertaken during 2nd Semester in association with organizations working in development theme in rural areas such as Cooperatives, Social enterprises, NGOs etc.

Project Work: This programme is undertaken as a component of 4th Semester in association with commercial organizations working in development sector or development organization. Students take up a study related to business problems in association with such organizations. These Projects are mentored by both the college and the host organization.

Alumini Speak (Batch : 2021-23)

“

The course and the faculty members helped me to transform and enhance my core values like empathy, sustainability, and service to the rural community myself. The inclusion of specialized field component, where we get engaged with NGOs, KVKs, and related development sector organizations and working with rural society to gain real-life experience which helps us to be future ready and develop problem-solving skills, agility, flexibility, and a sense of contribution to rural India.

Sumona Roy

Development Apprenticeship (PRADAN)

“

This programme was a transformative experience that equipped me with essential skills to address rural challenges. The well-organized curriculum and engaging field experiences enriched my learning journey, fostering problem-solving skills and securing a placement in IFFCO. Dedicated faculty members played a pivotal role in my personal and professional growth. Grateful for this remarkable learning experience, I eagerly look forward to contributing to rural development and making a positive change.

Saurav Kumar

IFFCO Kisan (Field Officer Trainee)

”

“

MBA (Rural Management) program provided me with a unique opportunity to enhance develop a deep commitment to serve rural communities. We obtained priceless real-life experience working with NGOs, KVKs, and other development sector organizations. I am immensely grateful to the dedicated faculty members, their guidance and support have been instrumental in my growth. Looking forward to leveraging these learnings to make a meaningful impact in the rural sector!

Atul Raj

Management Trainee (CASHPOR)

”

“

SAB&RM, RPCAU is best for Rural Management in India. This course offers good understanding of management in rural perspective and assist in obtaining opportunities both in development and corporate sector by proving both fieldwork and internship exposure. The placement and job opportunities are very good. The college's strong alumni network further supported in placement opportunities.

Saumya Shekhar
